ACTIVE FAMILY GAME: 'GRASSHOPPER OR GIANT?'

1. **THE PROBLEM:** The 10 fearful spies whined: 'We felt like grasshoppers next to them!' (Num 13:33)
2. **HOW TO PLAY:** Leader calls out a real-life kid challenge (A big math test, speaking in front of class, standing alone).
 - If fear takes over, kids curl down small and hop like timid grasshoppers.
 - **But when someone shouts 'GOD IS WITH US!'**, everyone leaps up tall like mighty faith champions!

SCRIPTURE MEMORY: "Do not be afraid of them, because the LORD is with us!" -- Numbers 14:9
